Junior Achievement Donation

At Junior Achievement, we believe in “possible.” Each day, we work to help young people discover what’s possible in their lives. We do this by helping them connect what they learn in school with life outside the classroom. We let them know it’s possible to invest in their future, to gain a better understanding of how the world works, and to pursue their dreams. We show them that it’s possible for tomorrow to be a better day.

A \$40 donation will cover the cost for one student learning experience.

Value: priceless
