

ADAPTIVE GOLF BUFFALO

Program Development Sponsor Pledge Form

Becoming a sponsor demonstrates to the general public that your company's resources are being allocated toward a meaningful, on-going, community program to serve and enhance the lives of individuals of all ages living with physical, cognitive and sensory challenges.

Dear Community Supporter,

The Adaptive Golf Association is the flagship *501(c)3 non-profit* organization paving the way in development of community adaptive golf programs across the country. The AGA operates our Country's longest running "weekly" adaptive golf program, conducting weekly clinics in Sarasota, FL since 1998. A model "community" program serving thousands of individuals the past 25 years to include disabled Veterans, adults and youth dealing with physical, cognitive and sensory challenges to enhance their quality of life. We're proud to help develop Adaptive Golf Buffalo and hope you'll consider supporting us to serve this wonderful community. There are ***NO paid salaries at Adaptive Golf Association*** nor at local programs so your contributions provide the most impact in direct services and acquiring the needed adaptive golf equipment.

Your Support Is Needed For:

MAY 15, 2023 LUNCH & LEARN WITH COMMUNITY GOLF CLINIC

Presenting the development of Adaptive Golf Buffalo with Coach / Volunteer Training overview and needed personnel, adaptive equipment and steps to take for future clinics. Seeking local sponsors to cover costs for facility fees; food/beverage, training materials. Thank you for your support of a program which you can also volunteer with monthly!

Sincerely,

David Windsor, PGA
Director of Programs
